Purpose

The Town of Taber encourages and promotes organization to host community events throughout the year for the enjoyment of our citizens and guests. The Town recognizes from time to time the requests for additional emergency services to protect and provide medical attention to those individuals that attend and participate in the community events are required.

Policy Statement

- 1) Council authorizes the use of Protective Service personnel and equipment at community events provided it does not interfere with the daily operations of the services.
- 2) Community organizations will be required to enter into an agreement with the Town of Taber for the Protective service.
- 3) An annual fee for services shall be presented to Council in accordance with the Fee for Service bylaw.
- 4) The Fee for Service shall be determined by calculating all variable, fixed and overhead costs associated with the service.
- 5) Administration shall establish a Protective Service Procedural Manual which shall include a standard operating procedure for this policy.
