The Town of Taber is selling a used color copier. This copier is five years old and uses an environmentally friendly wax ink technology. It is in good working condition and is being sold as part of our regular hardware Evergreening process.

The copier comes with the high volume finisher and booklet maker. We do not own the optional inserter, folder or high capacity feeder.

Our price for the copier is \$4500.00. If interested, please contact Tom Moffatt or Kendra Merkl at the Town of Taber, for more information.
