CHAIR

INTERIM CHIEF ADMINISTRATIVE OFFICER

Municipal Emergency Management Committee Request for Decision

Meeting Date: June 7, 2021

Subject:

Emergency Management Bylaw 19-2021

Recommendation:

That the Municipal Emergency Management Committee supports the proposed changes to Emergency Management Bylaw 19-2021 and recommends that the Bylaw be brought to Council at the next Regular Meeting.

Background:

Updated Emergency Management Bylaw. After some discussion and overview around the position of Director of Emergency Management and its role within the community. This position was previously supported by the CAO, the emergency management training was administered by the fire department. The main challenge of this was limited support for vacation time or leaves. Within this new updated Bylaw, we have identified (4) additional named Deputy Directors of Emergency management; this will support any emergency allowing an available DEM to support the Incident Commander of the scene. The Fire Chief will act as the DEM or DDEM and support all training needs within the staff and community.

Areas of highlight within this new bylaw,

1. Name change to CEMP – Community Emergency Management Program
2. Formatting – of the Bylaw
3. Termination of SOLE – Wording changes to meet the Emergency Management Act

Legislation / Authority:

Emergency Management Act states:

11. A local authority

1. Shall, at all times, be responsible for the direction and control of the local authority's emergency response unless the Government assumes direction and control under section 18;
2. Shall prepare and approve emergency plans and programs.

Strategic Plan Alignment:

To maintain a safe community that is healthy, innovative and environmentally aware while following Provincial Legislation.

Financial Implication:

There will not be any financial implication, as this is part of the Fire Chiefs and Emergency Management Agency's responsibilities.

Service Level / Staff Resource Implication:

No changes to the service level, as this Bylaw remains within the Fire Department operational alignment.

Justification:

The approval of the new Bylaw would support the DEM and DDEM on emergencies within the community, as well manage leave requests and emergency responses.

Alternative(s):

Municipal Emergency Management Committee would like to see changes made to the Bylaw in the following areas _____, before going to council.
