

Administration Building Lighting

Procedure No.: ADM-15	Council Resolution No.: N/A
Department: Administration	Authority: CAO
Effective Date: April 9, 2022	Revision Date: December 2022, May 2023
Review Date: Annually- November	Repealed Date:
Supersedes: N/A	
Related Policy No.: N/A	
Related Policy Name: N/A	

1.0 PURPOSE

- 1.1 To provide Administration with guidelines on lighting the Administration Building to recognize causes, days of celebration and mourning, and certain events.

2.0 OPERATING GUIDELINES

- 2.1 From time to time, the Town of Taber may recognize events of national, provincial, or municipal importance by lighting the Administration Building in colour.
- 2.2 The Chief Administrative Officer has the authority to change or interrupt any lighting at the Administration Building for any reason, and without notice.
- 2.3 The Chief Administrative Officer has the authority to change the dates of any lighting set forth in Schedule A should one cause fall on the same date as another. Wherever possible, the next best available day will be chosen.
- 2.4 Being that the Administration Building is a shared facility with the Municipal District of Taber, any changes to Schedule A must be shared with and approved by the Municipal District of Taber’s Chief Administrative Officer. The Town’s CAO will liaise with the MD’s CAO in such cases.
- 2.5 When there is a day without recognition, the Administration Building lights will be lit in regular white.
- 2.6 The Facilities Maintenance Staff will be responsible for controlling the lighting program and making lighting arrangements. They will choose the lighting colours and sequences that fit best with the schemes noted in Schedule A to the best of their ability and to maximize visibility of the colours.

3.0 FLAGS AND LIGHTING

- 3.1 Flag half-masting will always take precedence over lighting the Administration building in colour.
- 3.2 If the flags must be lowered on a day where lighting colours are programmed, the lights will be returned to normal white for the duration of the half-masting. Another day will not be given in lieu of the day(s) where the lights were meant to be in colour.
- 3.3 Days where the flags at the Administration Building are lowered by the authority of the Town's *Flag Protocol Policy* are not combined with lighting, as flags take precedence in respect (National Firefighters' Memorial Day or Police Officers Memorial Day for example).
 - 3.3.1 The only exception to the above is September 30th for the National Day of Truth and Reconciliation, which is also Orange Shirt Day. The flags may be half-masted as per the Government of Canada, and the lighting will take place.

4.0 CAUSES FOR LIGHTING AND DURATIONS

- 4.1 No submissions or requests from the public for lighting will be considered.
- 4.2 No other causes except those listed in Schedule A will be added unless the Federal or Provincial Governments add them to their lists. If this occurs, Administration will add it to Schedule A accordingly.
 - 4.2.1 The only exception to the above is if the recognition is for religions or medical causes, which will not be recognized.
- 4.3 Where the cause is a week in duration, the lights will be appropriately coloured on the first day of that week. Sunday shall be considered the first day of a week.
 - 4.3.1 The only exceptions to the above are noted within Schedule A.
- 4.4 Where the cause is a month in duration, the lights will be appropriately coloured on the first available day of the month.
- 4.5 Where there are multiple long-duration causes recognized in a month (i.e.: Heritage Months all recognized in October), the lights will be programmed for one day, one after the other.
 - 4.5.1 For example, October has days of lighting scheduled on the 1st, 2nd, 3rd, etc. Therefore, each cause is given one full day to be recognized.
- 4.6 The lights will be shone during dark periods (not during daylight) from midnight on the day being recognized to 11:59 PM on the same day (i.e.: lights are programmed to turn on colour at 12 AM on May 1st and turn back to normal 11:59 PM on May 1st).

5.0 COLOURS AND ANIMATION

- 5.1 For celebratory causes that do not have an official or commonly-agreed-upon colour, gold shall be used.

- 5.2 For causes of mourning that do not have an official or commonly-agreed-upon colour, blue will be used.
- 5.3 Wherever possible, colours of flags will be used for those causes that recognize a cultural group (i.e.: Orange, White, and Green for Irish Heritage Month or the colours of the Pan-African Flag for World Day for African and Afrodescendant Culture).
- 5.4 Brown and black lighting are not to be used in any colour schemes, as they are hard to see.
- 5.5 The lights will never be animated (motion, flashing, etc.) as they do not appear well when lit.

6.0 INCLUSIONS

- 6.1 Celebrations of Crown coronations and jubilees.
- 6.2 Days officially recognized by the Government of Canada on the “Important and Commemorative Days” listing.
- 6.3 Weeks, days, and causes recognized by the Government of Alberta.
- 6.4 International and Federal days of note which may affect our community or are causes important to our community.
- 6.5 Common holidays, celebratory days, or days that provide good public relations to the community as a whole.
- 6.6 Council proclamations that are not for a specific year but are Proclaimed in perpetuity (currently Green Shirt Day and Family Violence Prevention Month are the only perpetual proclamations made by Council).

7.0 EXCLUSIONS

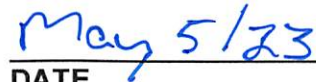

- 7.1 No religions are recognized.
 - 7.1.1 As there is debate within the Mennonite Community itself as to whether the group is a religious body or an ethnic group, the Town of Taber will recognize our large Mennonite population as a cultural group as part of our lighting program.
- 7.2 Days celebrating individual people have been omitted (except for those days commemorating celebrations of the Crown, such as the Queen’s Jubilee).
- 7.3 Medical causes/awareness days.
 - 7.3.1 For the purposes of this Procedure, International Overdose Awareness Day is considered a mental health cause that affects our community as a whole.
- 7.4 Federal days that Taber does not celebrate and/or has little cultural impact or connection in our community (i.e.: National Acadian Day, anniversary of the Statute of Westminster).

- 7.5 No community events will be recognized except for Cornfest and the Taber Pheasant Festival.
- 7.6 No other causes except those listed in Schedule A will be added unless the Provincial and/or Federal Governments add them to their lists, or Council makes a Proclamation in perpetuity.

CHIEF ADMINISTRATIVE OFFICER

DATE

SCHEDULE A

Date	Cause	Colour(s)	Recognized
January
