# Waste Collection Reminder

## RESIDENTS & PROPERTY OWNERS

The Taber Police Service Community Standards Unit would like to remind everyone of bylaws and owner responsibilities surrounding waste disposal and collection containers in the Town of Taber

### SETTING OUT & RETURNING CONTAINERS — WHEN?

Set containers out for collection **no later than 7:00 am** on the day of collection

Containers **MUST be removed** from the collection location and placed back onto the owners' property **no later than:**

*Front Street Collection:* 7:00 pm on the day of collection

*Alley Collection:* 7:00pm the following evening after collection

**Fines for not returning the cart to the owners' property start at \$125.00**

### COMMERCIAL BINS — KEEP THEM TIDY!

- ◆ All waste must fit inside the dumpster.
- ◆ It is the owners responsibility to ensure waste does not accumulate around the outside of the commercial bin.

**OWNERS:** If you find your commercial bin is attracting waste being disposed by persons other than those who are authorized to use the bin, consider contacting Public Works and have the commercial bin replaced with Automated Collection Containers.

Large items such as furniture and building materials are less likely to be dumped if there is no dumpster present.

**Fines for not keeping material stored or set out for collection tidy start at \$125.00**

The owner of a property shall be responsible to ensure that tenants are adhering to the bylaw, as it is the owner that would receive any penalties for specified offences
