Management's Responsibility for the Consolidated Financial Statements

The accompanying consolidated financial statements of the Town of Taber (the "Town") are the responsibility of the Town's management and have been prepared in compliance with legislation, and in accordance with Canadian Public Sector accounting standards. A summary of the significant accounting policies are described in Note 1 to the consolidated financial statements. The preparation of consolidated financial statements necessarily involves the use of estimates based on management's judgement, particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

The Town's management maintains a system of internal controls designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded in compliance with legislative and regulatory requirements, and reliable financial information is available on a timely basis for preparation of the consolidated financial statements. These systems are monitored and evaluated by management.

Council meets with management and the external auditors to review the consolidated financial statements and discuss any significant financial reporting or internal control matters prior to their approval of the financial statements.

The consolidated financial statements have been audited by KPMG LLP, independent external auditors appointed by the Town. The accompanying Auditor's Report outlines their responsibilities, the scope of their examination and their opinion on the Town's consolidated financial statements.

INDEPENDENT AUDITOR'S REPORT

To the Mayor and Members of Council of the Town of Taber

Opinion

We have audited the consolidated financial statements of the Town of Taber (the "Town"), which comprise:

- the consolidated statement of financial position as at December 31, 2022
- the consolidated statement of operations and accumulated surplus for the year then ended
- the consolidated statement of changes in net financial assets for the year then ended
- the consolidated statement of cash flows for the year then ended
- and schedules and notes to the consolidated financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the consolidated financial position of the Town as at December 31, 2022, and its consolidated results of operations, changes in net financial assets, and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

Basis for Opinion

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Statements" section of our auditor's report.

We are independent of the Town in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Town's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Town or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Town's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.
 - The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of
 expressing an opinion on the effectiveness of the Town's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Town's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Town to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represents the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the
 planned scope and timing of the audit and significant audit findings, including any
 significant deficiencies in internal control that we identify during our audit.

Notes to Consolidated Financial Statements For the year ended December 31, 2022

1. Significant accounting policies

The consolidated financial statements of the Town of Taber (the "Town") are the representations of management prepared in accordance with Canadian Public Sector Accounting Standards. Significant accounting policies adopted by the Town are as follows:

(a) Reporting entity:

The consolidated financial statements reflect the assets, liabilities, revenues and expenses, change in net financial assets and change in accumulated surplus of the reporting entity. This entity is comprised of the municipal operations plus all of the organizations that are owned or controlled by the Town and are, therefore, accountable to the Council for the administration of their financial affairs and resources. Included with the town are the following:

Taber Public Library

Taxes levied also include requisitions for educational, health care, social and other external organizations that are not part of the Town.

The statements exclude trust assets that are administered for the benefit of external parties. A schedule of these trust assets is included in Note 12.

Interdepartmental and organizational transactions and balances have been eliminated.

(b) Basis of accounting:

The financial statements are prepared using the accrual basis of accounting in accordance with Canadian Public Sector Accounting Standards.

(c) Expenses:

Expenses are recognized as they are incurred and measurable based upon receipt of goods or services and/or the obligation to pay.

(d) Pension expenses:

The Town participates in a multi-employer defined benefit pension plan. This plan is accounted for as a defined contribution plan whereby contributions are expensed as incurred.

(e) Cash and cash equivalents:

Cash and cash equivalents includes cash and deposits redeemable at managements discretion held with Canadian financial institutions.

(f) Investments:

Investments are recorded at amortized cost. Investment premiums and discounts are amortized on the net present value basis over the term of the respective investments. When there has been a loss in value that is other than a temporary decline, the respective investment is written down to recognize the loss.

Notes to Consolidated Financial Statements For the year ended December 31, 2022

(g) Debt charges recoverable:

Debt charges recoverable consist of amounts that are recoverable from municipal agencies or other local governments with respect to outstanding debentures or other long-term debt pursuant to annexation orders or joint capital undertakings. These recoveries are recorded at a value that equals the offsetting portion of the un-matured long-term debt, less actuarial requirements for the retirement of any sinking fund debentures.

(h) Requisition over-levy and under-levy:

Over-levies and under-levies arise from the difference between the actual property tax levy made to cover each requisition and the actual amount requisitioned.

If the actual levy exceeds the requisition, the over-levy is accrued as a liability and property tax revenue is reduced. Where that actual levy is less than the requisition amount, the under-levy is accrued as a receivable and as property tax revenue.

Requisition tax rates in the subsequent year are adjusted for any over-levies or under-levies of the prior year.

(i) Revenues:

Revenue is recorded when it is earned and measurable. Sales and user fees are accounted for in the period in which the events occurred that gave rise to the revenues. Revenue is recognized in the period when the related expenses are incurred, services performed or the tangible capital assets are acquired.

(j) Tax revenue:

Tax revenues are recognized once Town Council passes the bylaw approving the current year's tax assessment and tax rate. Tax rate categories include: real property taxes (residential and non-residential), linear property taxes and local improvement taxes. Requisitions operating as flow through arrangements are excluded from revenue. See Schedule 3.

Taxes receivable are measured once the tax rate of the local improvement tax rate bylaw is passed. Taxes receivable are measured at their net realizable value. Net realizable value excludes individually identified taxes in arrears considered uncollectable through the tax recovery process. Taxes received in advance of the next tax year are recorded as a customer credit and liability until the bylaw is passed.

(k) Deferred revenue:

Funds from external parties and earnings thereon restricted by agreement or legislation are accounted for as deferred revenue until used for the purpose specified. Deferred revenue includes amounts received for services yet to be performed as well as government transfers where the stipulations have not yet been met.

(I) Government transfers:

Government transfers are the transfer of assets from senior levels of government that are not the result of an exchange transaction, are not expected to be repaid in the future, or the result of a direct financial return.

Government transfers are recognized in the financial statements in the period that gives rise to the transfer occurring, providing the transfers are authorized, the Town has met any eligible criteria and a reasonable estimate of the amounts can be made.

Notes to Consolidated Financial Statements For the year ended December 31, 2022

(m) Landfill closure and post-closure liability:

Pursuant to the Alberta Environmental Protection and Enhancement Act, the Town is required to fund the closure of its landfill site and provide for post-closure care of the facility. Closure and post-closure activities include the final clay cover, landscaping, as well as surface and ground water monitoring, leachate control, and visual inspection. The landfill site has been closed.

(n) Non-financial assets:

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the normal course of operations. The change in non-financial assets during the year, together with the excess of revenues and expenses, provides the consolidated Change in Net Financial Assets for the year.

(i) Tangible capital assets:

Tangible capital assets are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development or betterment of the asset. The cost, less residual value, of the tangible capital assets is amortized on a straight-line basis over the estimated useful life as follows:

	Years
Land improvements	25-45
Buildings	25-75
Engineered structures	25-75
Machinery and equipment	4-40
Vehicles	4-25

Assets under construction are not amortized until the asset is available for productive use.

(ii) Tangible capital assets disclosed at nominal values:

Where an estimate of fair value could not be made or where there was no future benefit related to the asset, the tangible capital asset was recognized at a nominal value. Land, land improvements, buildings and machinery and equipment are the categories where nominal values were assigned.

(iii) Contributions of tangible capital assets:

Tangible capital assets received as contributions are recorded at fair value at the date of receipt and recorded as revenue.

(iv) Inventories:

Inventories held for consumption are recorded at the lower of cost and replacement cost.

(v) Interest capitalization:

The Town does not capitalize interest costs associated with the acquisition or construction of tangible capital assets.

(vi) Land held for resale:

Land held for resale is recorded at the lower of cost or net realizable value. Cost includes costs for land acquisition and improvements required to prepare the land for servicing such as clearing, stripping and leveling charges. Related development costs incurred to provide infrastructure such as water and wastewater services, roads, sidewalks and street lighting are recorded as capital assets under their respective function.

Notes to Consolidated Financial Statements For the year ended December 31, 2022

(o) Use of estimates:

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosure of contingent assets and liabilities at the dates of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Where measurement uncertainty exists, the financial statements have been prepared within reasonable limits of materiality. Areas with significant use of managements estimates include amortization of capital assets and collection of accounts receivable.

Contributions of tangible capital assets are recorded at fair value at the date of receipt.

Actual results could differ from those estimates.

(p) Liability for contaminated sites:

Contaminated sites are a result of contamination being introduced into air, soil, water, sediment of material (chemical, organic, radioactive) or live organism that exceeds an environmental standard. The Town recognizes a liability for remediation of contaminated sites when the following criteria have been met:

- an environmental standard exists.
- there is evidence that contamination exceeds an environmental standard,
- the Town is directly responsible or accepts responsibility for the contamination
- it is expected that future economic benefits will be given up and,
- a reasonable estimate of the amount can be made.

Sites that are currently in productive use are only considered contaminated sites if an unexpected event results in remediation. In cases where the Town's responsibility is not determinable, a contingent liability may be disclosed.

The liability reflects the Town's best estimate, as of December 31, 2022, of the amount required to remediate non-productive sites to the current minimum standard of use prior to contamination. Where possible, provisions for remediation are based on environmental assessments completed on a site; for those sites where an assessment has not been completed, estimates of the remediation are completed using information available for the site and by extrapolating from the cost to clean up similar sites. The liability is recorded net of any estimated recoveries from third parties. The Town will measure the liability using present value techniques when cash flows are expected to occur over extended future periods.

(q) Future accounting pronouncements:

The following summarizes the upcoming changes to the Public Sector Accounting Standards by the Public Sector Accounting Standards Board (PSAB). In 2023, the Town will continue to assess the impact and prepare for the adoption of these standards. While the timing of standard adoption can vary, certain standards must be adopted concurrently.

(i) PS 1201 - Financial Statement Presentation

The implementation of this standard requires a new statement of re-measurement gains and losses separate from the statement of operations. This new statement will include the unrealized gains and losses arising from the remeasurement of financial instruments and items denominated in foreign currency. This standard is effective for fiscal years beginning on or after April 1, 2022.

Notes to Consolidated Financial Statements For the year ended December 31, 2022

(q) Future accounting pronouncements (continued):

(ii) PS 3450 - Financial Instruments

This section establishes recognition, measurement, and disclosure requirements for derivative and non-derivative instruments. The standard requires fair value measurements of derivative instruments and equity instruments; all other financial instruments can be measured at either cost or fair value depending upon elections made by the government. Unrealized gains and losses will be presented on the new statement of re-measurement gains and losses arising from the adoption of PS 1201. There will also be a requirement to disclose the nature and extent of risks arising from financial instruments and clarification is given for the de-recognition of financial liabilities. As the Town does not invest in derivatives or equity instruments based on its investment policy, it is anticipated that the adoption of this standard will have a minimal impact on the Town. This standard is effective for fiscal years beginning on or after April 1, 2022.

(iii) PS 2601 - Foreign Currency Translation

This section establishes guidance on the recognition, measurement, presentation and disclosure of assets and liabilities denominated in foreign currencies. The Section requires monetary assets and liabilities, denominated in a foreign currency and non-monetary items valued at fair value, denominated in a foreign currency to be adjusted to reflect the exchange rates in effect at the financial statement date. The resulting unrealized gains and losses are to be presented in the new statement of re-measurement gains and losses. This standard is effective for fiscal years beginning on or after April 1, 2022.

(iv) PS 3041 - Portfolio Investments

This section removes the distinction between temporary and portfolio investments and provides additional guidance on recognition, measurement, presentation and disclosure of these types of investments. Upon adoption of this section and PS 3450, PS 3040 - Portfolio Investments will no longer be applicable. This standard is effective for fiscal years beginning on or after April 1, 2022.

(v) PS 3280 - Asset Retirement Obligations

This section provides guidance on how to account for and report a liability for retirement of a tangible capital asset. This section is effective for fiscal years beginning on or after April 1, 2022.

(vi) PS 3400 - Revenue

This section provides guidance on how to account for and report on revenue, specifically addressing revenue arising from exchange transactions and unilateral transactions. This section is effective for fiscal years beginning on or after April 1, 2023.

(vii) PSG-8- Purchased Intangibles:

This new guideline allows for recognition of intangibles purchased through an exchange transaction. Narrow-scope amendments were made to PS 1000 Financial Statement Concepts to remove prohibition on recognition of intangibles purchased through exchange transactions and PS 1201 Financial Statement Presentation to remove the requirement to disclose that purchased intangibles are not recognized. This is effective for fiscal years beginning on or after April 1, 2023.

Notes to Consolidated Financial Statements For the year ended December 31, 2022

(q) Future accounting pronouncements (continued):

(viii) PS 3160 - Public Private Partnerships

This section establishes standards on how to account for public private partnership arrangements. This standard is effective for fiscal years beginning on or after April 1, 2023.

The requirements in PS 1201, PS 3450, PS 2601, and PS 3041 are required to be implemented at the same time.

Management has indicated that the impact of the adoption of these standards are being evaluated and the impact is not known or reasonably estimable at this time.

2. Cash and temporary investments

	-	2022	,	2021
Cash Temporary investments (market value 2022 - \$16,434,081; 2021	\$	2,663,664	\$	13,116,117
- \$2,303,872)		16,274,849		2,295,500
	\$	18,938,513	\$	15,411,617

The temporary investments are comprised of short-term deposits issued by a Canadian financial institution. These investments mature between April 10, 2023 to November 7, 2023, but are redeemable at management's discretion.

Included in temporary investments are restricted amounts of \$189,329, \$611,285, \$413,354, \$991,409, and \$16,593 received from Municipal Sustainability Initiative, Clean Water and Wastewater Fund, Federal Gas Tax Fund, Alberta Community Resiliance Program, and Alberta Community Partnership respectively and held exclusively for capital infrastructure projects (note 6).

3. Taxes and grants in lieu receivable

	 2022	2021
Current taxes and grants in lieu of taxes Tax arrears	\$ 670,921 216,882	\$ 569,030 236,200
	\$ 887,803	\$ 805,230

Notes to Consolidated Financial Statements For the year ended December 31, 2022

4. Long-term investments

	2022			20		
	Cost		Market Value	Cost		Market Value
Guaranteed Investment Certificates	\$ 1,441,435	\$	1,396,354	\$ 756,953	\$	756,953
Patronage reserves - United Farmers of Alberta	3,658		3,658	3,434		3,434
Shares in Alberta Capital Finance Authority	40		40	40		40

	\$ 1,445,191	\$	1,400,110	\$ 760,484	\$	760,484

Guaranteed Investment Certificates have effective interest rates of 2.58% to 6.53% with maturity dates of February 12, 2027 to January 28, 2033.

5. Employee benefit obligations

	 2022	 2021
Vacation and other entitlements	\$ 713,857	\$ 665,367

The vacation and other entitlements liability consists of the vacation, overtime, flex and sick leave that employees are deferring to future years. Employees have either earned the benefits or are entitled to these benefits within the next budgetary year.

Notes to Consolidated Financial Statements For the year ended December 31, 2022

6. Deferred revenue and government transfers

	 2022	2021
Deferred revenue	\$ 443,858	\$ 398,690
Government contributions (1)	2,632,900	4,705,696
Prepaid taxes	64,413	62,196
	\$ 3,141,171	\$ 5,166,582

⁽¹⁾ Government contributions in deferred revenue consist of the following:

	2(021 Balance	Grants Received & Interest Recognized	Government Transfer Revenue	20	022 Balance
Municipal Sustainability Initiative Grant Alberta Municipal Water/Wastewater	\$	652,572 350,000	\$ 853,508 350,000	\$ (1,316,751) (88,715)	\$	189,329 611,285
Federal Gas Tax Fund Alberta Community Partnership		378,697 16,593	508,273 -	(473,616) -		413,354 16,593
Alberta Community Resiliance Program		3,034,554	36,860	(2,080,005)		991,409
Other Grants		273,280	1,410,001	(1,272,351)		410,930
	\$	4,705,696	\$ 3,158,642	\$ (5,231,438)	\$	2,632,900

7. Provision for landfill post-closure costs

Alberta Environmental law requires closure and post-closure of landfill sites, which includes final covering and landscaping, pumping of ground water and leachates from the site, and on-going environmental monitoring, site inspections and maintenance.

The estimated total liability of \$252,399 for 2022 (2021 - \$296,044) is based on the sum of discounted future cash flows for post-closure activities for 8 years (2021 - 9 years) using a discount rate of 2.2% (2021 - 0.9%) and assuming annual inflation of 2.1% (2021 - 1.8%).

The Town has not designated assets for settling post-closure liabilities.

The Town is under agreement with the Taber Gymnastics Fitness Club for the repayment of a debenture taken out for the benefit of the club. The full principal and interest costs for the debenture are recovered from the club.

Notes to Consolidated Financial Statements For the year ended December 31, 2022

8. Long-term debt (continued)

The Town is under agreement with the Taber Chamber of Commerce for the repayment of a debenture taken out for the benefit of the chamber. The full principal and interest costs for the debenture are recovered from the chamber.

Debenture debt issued for the construction of the library building is repayable to Alberta Capital Finance Authority and bears interest at 4.365% and matures in 2026.

Debenture debt issued for the 56 avenue extension is repayable to Alberta Capital Finance Authority and bears interest at 2.084% and matures in 2040.

Debenture debt issued to Taber Gymnastics Fitness Club is repayable to Alberta Capital Finance Authority and bears interest at 3.228% and matures in 2039.

Debenture debt issued for the Sewer Truck was repaid in the year.

Debenture debt issued for the upgrade to the water and waste water treatment plant is repayable to Canadian Imperial Bank of Commerce and bears interest at 2.4% and matures in 2027.

Debenture debt issued for the Lagoon project was repaid in the year.

Debenture debt issued for the Land purchase is repayable to Alberta Capital Finance Authority and bears interest at 2.899% and matures in 2028.

Debenture debt issued for the Meadows project is repayable to the Alberta Capital Finance Authority and bears interest at 3.27% and matures in 2040.

Debenture debt issued for the Wastewater Lagoon Solar Project is repayable to Alberta Capital Finance Authority and bears interest at 4.870% and matures in 2037.

Debenture debt issued for the Taber Chamber of Commerce is repayable to the Alberta Capital Finance Authority and bears interest at 2.733% and matures in 2051.

The Town has a revolving loan with Canadian Imperial Bank of Commerce. The revolving loan is due on demand, bears interest at prime minus 0.5% and has available funds up to \$3,000,000. As at December 31, 2021, the revolving loan was not drawn upon. As at December 31, 2022, the prime rate was 6.45% (2021 - 2.45%).

During the year, on a cash basis, the Town paid \$378,876 on interest on long-term debt.

Debenture debt is issued on the credit and security of the Town at large.

Notes to Consolidated Financial Statements For the year ended December 31, 2022

9. Debt limits

Section 276(2) of the Municipal Government Act requires that debt and debt limits as defined by Alberta Regulation 255/00 for the Town be disclosed as follows:

	2022 2021
Total debt limit Total debt	\$ 42,180,438
Amount of debt limit unused	\$ 29,068,205 \$ 23,010,338
Debt servicing limit Debt servicing	\$ 7,030,073 \$ 6,142,445 (1,467,239) (1,671,844
Amount of debt servicing limit unused	\$ 5,562,834 \$ 4,470,601

The debt limit is calculated at 1.5 times revenue of the Town (as defined in Alberta Regulation 255/00) and the debt service limit is calculated at 0.25 times such revenue. Incurring debt beyond these limitations requires approval by the Minister of Municipal Affairs. These thresholds are guidelines used by Alberta Municipal Affairs to identify municipalities which could be at financial risk if further debt is acquired. The calculation taken alone does not represent the financial stability of the Town. Rather, the financial statements must be interpreted as a whole.

Notes to Consolidated Financial Statements For the year ended December 31, 2022

10. Tangible capital assets

	2022	2021
Land for Municipal Use	\$ 2,904,362	\$ 2,904,362

J. Sorensen	26,122	-	26,122	-
A. Rudd	25,331	-	25,331	-
Chief Administrative Officer	164,355	35,581	199,936	80,671

- (1) Salary includes regular base pay, bonuses, overtime, lump sum payments, gross honoraria and any other direct cash remuneration.
- (2) Benefits and allowances figures include the Town's share of all employee benefits and contributions or payments made on behalf of the employee.
- (3) Benefits and allowances figures also include the Town's share of the costs of additional taxable benefits including travel allowances and car allowances.

Notes to Consolidated Financial Statements For the year ended December 31, 2022

14. Pension plans

Employees of the Town qualify to belong to one of the following defined-benefits pension plans:

(a) Local Authorities Pension Plan

The Town participates in a multi-employer defined benefit pension plan. The plan is accounted for as a defined contribution plan.

Employees of the Town, with the exception of police officers, participate in the Local Authorities Pension Plan (LAPP), which is one of the plans covered by the Alberta Public Sector Pension Plans Act. The LAPP serves about 281,764 people and 435 employers. The LAPP is financed by employer and employee contributions and by investment earnings of the LAPP Fund.

Contributions for current services are recorded as expenses in the year in which they become due.

The Town is required to make current service contributions to the LAPP of 8.45% of pensionable earnings up to the year's maximum pensionable earnings under the Canada Pension Plan and 12.80% on pensionable earnings above this amount. Employees of the Town are required to make current service contributions of 7.45% of pensionable earnings up to the year's maximum pensionable earnings and 11.80% on pensionable earnings above this amount.

Total current service contributions by the Town to the LAPP in 2022 were \$518,610 (2021 - \$540,263). Total current service contributions by the employees of the Town to the LAPP in 2022 were \$462,925 (2021 - \$487,748).

At December 31, 2021 the LAPP disclosed an actuarial surplus of \$11.90 billion (2020 - surplus of \$5 billion).

(b) Special Forces Pension Plan

The Town participates in a multi-employer defined benefit pension plan. The plan is accounted for as a defined contribution plan.

Police officers employed by the Town, including management, participate in the Special Forces Pension Plan (SFPP), which is one of the plans covered by the Alberta Public Sector Pension Plans Act. The SFPP serves about 7,670 people and 7 employers. The plan is financed by employer and employee contributions and by investment earnings of the SFPP Fund.

Contributions for current services are recorded as expenses in the year in which they become due.

The Town is required to make current service contributions to the SFPP of 14.55% of pensionable earnings up to the year's maximum pensionable earnings under the Canada Pension Plan and 14.55% on pensionable earnings above this amount. Police officers of the Town are required to make current service contributions of 13.45% of pensionable earnings up to the year's maximum pensionable earnings and 13.45% on pensionable earnings above this amount.

Total current service contributions by the Town to the SFPP in 2022 were \$231,910 (2021 - \$228,058). Total current service contributions by the police officers of the Town to the SFPP in 2022 were \$214,377 (2021 - \$210,816).

At December 31, 2021 the SFPP Plan disclosed an actuarial surplus of \$424.0 million (2020 - surplus of \$10.0 million).

Notes to Consolidated Financial Statements For the year ended December 31, 2022

15. Contingent liabilities

The Town has not recognized liabilities relating to certain obligations, primarily environmental and other liabilities relating to facilities, equipment and land. These liabilities are not recognized as the dates of remediation are unknown and as such the fair value of these liabilities cannot be reasonably determined.

16. Contractual rights

The Town has entered into several land rent and oil lease agreements with various third parties. These agreements are individually insignificant. The timing and extent of future revenues from each agreement varies based on its terms. Revenue from land rent and oil leases for the year was \$135,154 (2021 - \$136,164).

17. Financial instruments

The Town's financial instruments consist of cash and temporary investments, taxes and grants in lieu receivable, trade and other receivables, long-term investments, debt charges recoverable, accounts payable and accrued liabilities, employee benefit obligations, deposit liabilities and long-term debt. It is management's opinion that the Town is not exposed to significant interest, currency or liquidity risk arising from these financial instruments.

The Town is subject to credit risk with respect to taxes and grants in lieu receivable, and trade and other receivables. Credit risk arises from the possibility that taxpayers and entities to which the Town provides services may experience financial difficulty and be unable to fulfill their obligations. The large number and diversity of taxpayers and customers minimized the credit risk.

18. Segmented disclosure

Segmented disclosures (Schedule 6) have been identified based upon lines of service provided by the Town. Town services are provided by departments and their activities are reported by functional area in the body of the consolidated financial statements. Certain lines of service that have been separately disclosed in the segmented financial information, along with the services they provide, are as follows:

(a) General government

The mandate of general government includes all taxation, Council and administrative functional activities.

(b) Protective services

The mandate of protective services is to provide for the rescue and protection of people and property within the Town through effective and efficient management and coordination of emergency service systems and resources.

(c) Transportation services

The mandate of transportation services is the delivery of municipal public works services relating to the planning, development and maintenance of roadway systems, streets, walks, lighting, storm water flows and public transit.

Notes to Consolidated Financial Statements For the year ended December 31, 2022

18. Segmented disclosure (continued)

(d) Environmental services

The mandate of environmental services is the delivery of utility services including water supply and distribution services, wastewater treatment and disposal activities, and solid waste and recycling management.

(e) Public health services

The mandate of public health services is the contribution to Family and Community Support Services (FCSS) and the administration and maintenance of the cemetery.

(f) Planning and development

The mandate of planning and development is the administration of residential, commercial and industrial development services, and operation and maintenance of Town owned buildings.

(g) Parks and recreation

The mandate of parks and recreation includes the operation and maintenance of parks, sportsfields, and recreation and community facilities within the Town.

(h) Culture and libraries

The mandate of culture and libraries includes the operation and maintenance of the community auditorium and meeting rooms, and the support of the Taber Public Library and the ownership of the building.

For each reported segment, revenues and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. The accounting policies used in these segments are consistent with those adopted by the Town as a whole.

19. Budget

The Operating and Capital budget information was approved by Council on October 12, 2021 and August 16, 2021 respectively.

20. Approval of financial statements

These financial statements have been approved by Council and Management.
