# November

The Town of Taber is thrilled to support the Winter Festival on November 15th, alongside the Taber Chamber. This festive event is the perfect way to welcome the season and showcase Taber's unique local businesses. Whether you join in on the family-friendly activities, enjoy a meal at our many restaurants, or finish your holiday shopping list by supporting local businesses, this festival has something for everyone.

It's more than just a celebration—it's a chance to shop local, support our community, and make memories that will warm up even the coldest winter day. Join us in making this winter season truly special by coming together to celebrate the heart of Taber!

## WATER SAVING TIP

#1

Turn off the tap when you brush your teeth. Water comes out of the average faucet at 6 litres per minute. Don't let all that water go down the drain while you brush! Turn off the faucet after you wet your brush, and leave it off until it's time to rinse.

## Emergency Preparedness

With the changing of seasons, it is important to be aware of the unique winter hazards in the province and how to prepare for them. Upcoming potential hazards include blizzards, freezing rain, ice storms and extreme cold. Be prepared with the following tips:

- Dress warmly by wearing extra layers of clothing during extreme cold snaps; keep extra layers in your vehicle as well.
- Ensure you have a back-up generator or power source to heat your home in case of power outage.
- Avoid commuting during freezing rain or blizzards as the roads will be slick and unpredictable. Put winter tires on your car during the colder months.
