Recreation Board Request for Decision	
Meeting Date: 6/1/2017	
Subject: Delegation - Taber Mennonite School	
Recommendation:	The Recreation Board recommends Council approve a waiver of the fees for the 2017/2018 school year for the Community Centre Auditorium.
Background:	<p>Wilco Tymensen, Superintendent of Horizon School Division, will be present at the meeting to provide further details on their request for the use of the Community Centre Auditorium throughout the school year.</p> <p>The Taber Mennonite School has been utilizing the D.A. Ferguson school gymnasium to meet their curriculum requirements for Physical Education. D.A. Ferguson School will be undergoing renovations in 2017/2018 which leaves the Taber Mennonite School without an option for Physical Education.</p> <p>The Town currently does not have a Joint Use Agreement with the schools but has in the past worked with the School Divisions when modernizations occurred. The most recent would be the use of the Community Centre for St. Mary's School during the construction of their new school in 2002/2003.</p> <p>Crystal McGregor, Principal of the Taber Mennonite School indicates that because of where they are located all Physical Education classes must be held elsewhere. Outdoors is an option in warmer months but has no guarantee of suitable weather.</p> <p>The school is requesting 80 minutes per day (Monday – Thursday) and 50 minutes per day on Fridays. It was indicated that they would be willing to work around existing bookings in the facility, recognizing that there are currently bookings in place.</p> <p>Taber Mennonite School currently houses approximately 70 students that would be affected by the loss of the D.A. Ferguson gymnasium for the school year.</p>
Legislation / Authority:	Recreation Board Bylaw 2-2009
Strategic Plan Alignment:	<p>Governance:</p> <p>Build partnerships with other governments and organizations where synergies may exist.</p>

Financial Implication:	Not at this time.
Service Level / Staff Resource Implication:	This would increase the Town's workload with relation to rentals.
Justification:	Previously done for St. Mary's School in 2002.
Alternative(s):	Recreation Board could choose to recommend Council charge a portion of the fees. Recreation Board could choose to recommend Council denies their request.

RE: Request to use Taber Civic Centre Gymnasium

Dear Board Members;

The Alberta Government announced the modernization of the D.A. Ferguson Middle School beginning in June 2017 and ending August 2018. Taber Mennonite School currently uses the gymnasium at D.A. Ferguson Middle School for an 80 minute period of physical education each day. Taber Mennonite School is an outreach school in Horizon School Division No. 67, striving to provide a public education to Taber's Mennonite Community. Given the scope of the modernization, the D.A. Ferguson gymnasium will not be accessible for the entire 2017-2018 school year.

I am reaching out to you to request access to the gymnasium within the Taber Civic Centre. Students require an 80-minute block of time Monday to Thursday and 50 minutes on Fridays. Access to this facility during the modernization would allow Taber Mennonite students to continue physical education programming during the construction phase of the modernization.

I look forward to your response, and can be contacted at (403) 223-0179 should you have any questions.

Sincerely,

Crystal McGregor

The Recreation Board reviewed all the proposed projects and discussed the grant application processes. Letters of support from Council would allow administration more flexibility with the short deadlines for application turnover.

RES. 27/2017 MOVED by Councillor M. Harris that the Recreation Board recommends Council provide a letter of support for each of the following projects in order for grant funding to be sought out:

B) Skateboard Park

A. Holmen explained that earlier this spring the facility had been vandalized with regards to the area involving paving stones. The original contractor, Newline Skateparks was contacted to come on site and assist with possible solutions. At that time, a thorough inspection of the facility was also completed and it was determined that in addition to a solution for the pavers that some concrete deterioration had occurred and required repair. The attached proposal is for the repair of the concrete and is offered at a reduced price as the company is currently working on a project in Lethbridge. The Board discussed different material options for the paving stone area and enquired about using a “Pour in Place” surface instead of artificial turf. A. Holmen agreed to look into this option.

The board also discussed how the vandalism is being addressed in the future with surveillance cameras, more police presence, and use of lighting of the area.

The trees at the facility were brought into the discussion and it was reported that Administration is looking into replacement of a few of the trees.

RES. 28/2017 MOVED by J. Mills that the Recreation Board recommends Council authorize the repairs required to the Skateboard Park to the amount of \$10,200.00 from Capital Reserves.

CARRIED UNANIMOUSLY

C) Trout Pond Project

A. Holmen explained the history of how this project came about and how the Alberta Conservation Association initiated this partnership to revive the Trout Pond area and make it viable once again. The town is now in the process of researching and applying for grants to fund the project.

Administration wanted to the Recreation Board to be aware of details of this project and will continue to keep the board abreast of the project as some phases of the project does involve the Recreation Department involvement.

It was questioned as to where this project fits in the Recreation Master Plan and discussed by Councillor Prokop that it fits in with the desire to enhance and expand the walking trail and this opportunity to partner with Alberta Conservation is too good to pass up.

Recreation Board Request for Decision

Meeting Date: June 1, 2017

Subject: Southern Alberta Recreation Association Bid Request

Recommendation:

The Recreation Board recommends Council submit a bid for the 2018 Southern Alberta Summer Games provided there is consensus to host with the MD of Taber.

Background:

An invitation has been received from Bonnie Ellis, Co-chair of the Southern Alberta Recreation Association, regarding consideration of a bid application for the 2018 or 2019 Southern Alberta Summer Games.

Taber last hosted the games in 2013. Previous to that we hosted in 2005 and 2008. All games were hosted successfully and had at the time some of the highest participant numbers overall compared to other games.

Annually, the Southern Alberta Summer Games hosts over 2000 athletes. These athletes range in age from as young as five to as old as is able. It is not unusual to see participants in their 80's in specific events.

The games are the largest and longest running, grassroots sporting event of its kind in Canada. This year will mark the 48th year.

Taber is well known for coming through in the clutch and hosting games when no other community is able. Administration has had discussions with various sport coordinators from the 2013 games and many feel we could successfully host this event once again.

Discussion would be required with both Town Council and the MD of Taber Council.

Taber has all of the facilities required to host the games and the venues are in excellent condition. Upgrades would be minor.

The Alberta Sport Connection does provide some funding for host communities including \$12,000 for the games host and \$5,000 for the cultural portion of the games. The S.A.R.A. Board reimburses \$2 for every athlete registered. Fundraising would be required for a portion of the funding.

Tamara Miyanaga has been involved with the last three games we have hosted in Taber and has worked closely with Administration. She has been asked to come to the meeting to give her thoughts regarding the submission of a bid.

Legislation / Authority:	MGA Section 3
Strategic Plan Alignment:	Create an environment for hosting Special events in Taber.
Financial Implication:	<p>The cost to host the games has typically been anywhere from \$60,000 - \$80,000 over the past few years. The host receives \$17,000 from Alberta Sport Connection, \$2/athlete from S.A.R.A, and usually is eligible for the STEP grant. Average for all totals approx. \$23,000 - \$24,000.</p> <p>The average cost ranges from \$60,000 - \$80,000.</p>
Service Level / Staff Resource Implication:	Games of any level have a significant impact on service levels as we have seen from hosting previous Southern Alberta Summer Games. Staff involvement would be required in the planning, coordination and administration of the event in conjunction with significant volunteer resources from the community. Potential upgrades to facilities may be required as well as preparation of venues, and assistance with set up/take down of venues.
Justification:	<p>Many of the volunteers that were involved with the last three Southern Alberta Summer Games we have held in Taber are still around and have interest in completing one more games locally. For the community, the games bring people to Taber to eat, sleep and play.</p> <p>As we have seen and heard from our past experiences, the games are about family and community. This is an opportunity to showcase what a great community we have and what we have to offer.</p>
Alternative(s):	The Recreation Board may request additional information prior to making a recommendation to Council.

Dear Mayor De Vlieger:

As a member of the Southern Alberta Recreation Association, I am pleased to send this invitation to bid on the 2018 or 2019 Southern Alberta Summer Games. We have found that asking for two years ahead allows communities to get into the rotation with more lead time to plan their Game, and to help SARA with our commitment in providing support.

I encourage you and your community to seriously consider this invitation, by either entering a bid as a single community or partnering with neighboring communities, MD's or counties.

The Southern Alberta Summer Games, which are held around the first week in July are the longest, consecutively running multi-sport event in Western Canada. We believe that they are worth keeping – but we need your participation as a host community to ensure that they continue to happen. This year will mark the **48th anniversary of games** in Zone 1.

All communities wishing to bid must submit their letter of intent as soon as possible to the below address with a completed bid. A possible tour of bid communities by SARA representatives will take place later, with the decision to host, announced after that.

Please see the enclosed bidding information to learn more about the bid process.

If you have any questions, please call me at 403-485-2554 or at bellis@townofvulcan.ca

Sincerely,

Bonnie Ellis
