Ken Holst Chair Taber Municipal Police Commission

Re: Public Complaints Director Monthly Report for April 2019.

Dear Chair Holst,

This letter is to report that there have been no new public complaints reported to me in 2019.

The Chief of Police recently completed a disposition on a public complaint and a complaint regarding the police service that I have reviewed.

On April 12, 2019, I attended a LERB hearing for an appeal of the Chief as it related to a public complaint dealt with by the Chief in 2018. The LERB advised that their decision will be written and will take a minimum of 60 days to complete. I have nothing further to add.

Sincerely,

Allen Herbst
Public Complaint Director

Subject:

Wise Owls Program Discussion

Recommendation:

That the Taber Municipal Police Commission accepts the information provided on the Wise Owls Program for information purposes.

Background:

The Wise Owl Program was established to help educate seniors about fraud prevention. The program gives an overview of many common frauds, along with information on how to protect your personal information. Seniors who participate come away with the necessary tools to recognize a scam, who to talk to, how to report it and where to go for more information. The Wise Owls Program has been in Taber since the time of Chief Dreaddy.

At our last Commission meeting, Chair Holst asked that a RFD be crafted so that the Commission could discuss the Wise Owl Program and provide feedback to the Chief of Police, from community, as it relates to the future of the program.

As part of the Taber Police Service business plan, we are revisiting our community policing programs to see if they work for us and the community. If programs are not reaching the intended audience, or community capacity has diminished to support the program, a decision should be made to cease certain program and support others.

For your information, in the past year, one Wise Owl Presentation was made. We have had one participant in the program who is long standing and has served our community well. Recruitment efforts by our officers have resulted in little capacity building. Without recruitment or an increase in efforts from community, this program will most likely end up retired.

Legislation / Authority:

Section 31(1) of the Police Act

The Commission shall establish Policies for efficient and effective policing.

Strategic Plan Alignment:

Community Collaboration Priorities

Partnerships with professional organizations ie: probation, Victims Services, TCAPS/TCAD, and Fire Departments must be reviewed and analyzed to ensure they are working.
