**ADOPTION OF THE MINUTES**

**A) Regular meeting – September 3, 2020**

RES. 28/2020 MOVED by Councillor L. Tams that the Recreation Board adopts the Minutes of the Regular Meeting of the Recreation Board held on September 3, 2020, as presented.

CARRIED UNANIMOUSLY

**BUSINESS ARISING FROM THE MINUTES – None**

**ACTION ITEMS**

**A) Southern Alberta Trail Riders Association Request**

D. Phillips reported that the Southern Alberta Trail Riders Association had gone to council to request permission to use the former Pro Rodeo Grounds as a staging area and their request was not supported. The area is where they previously had an agreement with the former lessee and with the lease not having been renewed it is no longer maintained or checked for hazards. The organization is now requested to use the Trout Pond, however the bylaw states that horses are prohibited in the park.

RES. 29/2020 MOVED by Councillor G. Bekkering that the Recreation Board directs Administration to request that Council pass a motion for Administration to engage with the Southern Alberta Trail Riders Association to discuss suitable options for staging in the Town of Taber for trail rides, to be brought back to Council for approval.

CARRIED UNANIMOUSLY

**B) Ken McDonald Memorial Sports Complex – Entrance Lighting**

Chairperson D. Hansen requested this item to be discussed. While she was going to an event out at KMMSC, she noticed some traffic which were unsure of where to turn and realized how dark the entrance is. With the Legion Park, Youth Centre and the KMMSC entrances so close together and so many pedestrians, for safety reasons, lighting up the entrance should be considered. It was also mentioned that the lights could be only used when needed (early spring and fall).

D. Phillips reported the cost of the project if done internally would be around \$2500. She also stated that there had been some cost saving due to COVID-19 and there was money in the 2020 Operating Budget to possibly cover the cost of installation, if the Board chooses to do so.

RES. 30/2020 MOVED by Councillor L. Tams that the Recreation Board directs the Recreation Department to install a light at the entrance to the Ken McDonald Memorial Sports Complex in the 2020 Operating Budget not to exceed \$2500.00.

CARRIED UNANIMOUSLY

### **C) Information for the Recreation Board**

The Recreation Board Members reviewed all the points within this item.

The Small Ice Update was given. The leak was detected and patched up and the facility should be open for the small ice public skates on Saturday and Sunday. Rentals will begin on Monday.

The STAR Theatre assessment of the Taber Tower Building was discussed. Council approved a basic assessment to be done of the Tower Building to allow the group an opportunity to decide if the building would meet their needs and if they wish to proceed further. The Community Centre option was dropped for now because the group did not prefer this option and the auditorium is being used quite a lot with recreation drop-ins and rentals.

RES. 31/2020 MOVED by D. Firth that the Recreation Board accepts the material received in this Agenda Item, as information.
