Report for February, 2021

Community Standards Unit Monthly Report- February, 2021

During the month of February, 2021, there were 26 Bylaw related calls for service. These 26 calls included 10 dog related calls, four nuisance property related calls, five animal wellbeing calls, two dumping calls, and the remaining involved calls for found bikes and disposal of dead animals.

Of the 10 dog related calls eight were regarding dogs running at large. All dogs were returned to their owners. Two calls involved a dog biting another person. Both incidents were investigated and the owners were issued violation tickets. One dog was deemed to be aggressive, based on past occurrences with the dog and extent of injuries to the victim, and the owner is currently working to comply with aggressive dog conditions.

Of the four nuisance related calls, two were regarding complaints of the sidewalk not being shovelled. Notices to comply were issued to each property. One property complied, the other did not and the contractor was required to comply the notice. The other nuisance calls were regarding unsightly properties and garbage bins being left out. Both were dealt with by issuing notices to the properties and they were complied with.

There was one call regarding a bike that was in the alley behind the complainant's house. The bike was not reported as missing or stolen and was placed in the bylaw compound for a 90-day hold.

Of the two calls involving dumping one was remedied by a work order being given to the Town to pick up a mattress and box spring when it was determined that no owner could be located. The other dumping call was regarding a mattress being dumped into a communal apartment bin but was later gone when the officer returned to the site.

A total of 30 Notices to comply were issued to properties for snow, collection bins, tree trimming, and unsightly properties. All but one was complied with. The contractor was sent to comply the one notice.
